Document: SC_Returns_Policy_v2.pdf
Version: 2.0
Effective from: 2025-07-01
Effective to: No end date
Status: Current

1. Purpose

This policy replaces version 1.0 for all returns requested on or after 2025-07-01.

2. Return period

Customers may return an eligible item within 45 calendar days counted from the delivery date.

The delivery date is taken from the delivered_at field of the order.

If the delivery date is missing, the return cannot be assessed automatically and needs human review.

3. Loyalty exceptions

Gold tier customers receive 7 additional days, so the total return period is 52 calendar days.

Platinum tier customers receive 14 additional days, so the total return period is 59 calendar days.

Standard and Silver tier customers receive no additional days.

4. Final-sale items

Items marked final sale are not returnable.

The only exception is a damage claim that meets SC_Damaged_Item_SOP.pdf. Such claims are reviewed manually.

5. Start date

This version takes effect on 2025-07-01.

It applies to returns requested on or after 2025-07-01.
